

**“MGM Chair Professor” in Minerals, Metallurgical and Materials Engineering**

A **Chair** entitled “**MGM Chair Professor**” in **Minerals, Metallurgical and Materials Engineering** has been created in IIT Bhubaneswar with a generous endowment of `3 crores from **MGM Minerals Limited, Bhubaneswar, Odisha** as a measure of the Institute’s firm step towards a meaningful sustainable public private partnership.

The main objective of this Chair-Professor, as a full time faculty of IIT Bhubaneswar, will be to promote teaching and research in Minerals, Metallurgical and Materials Engineering with general activities and responsibilities as follows:

1. To play a leading role in the new School of Minerals, Metallurgical and Materials Sciences in IIT Bhubaneswar, and steering it towards achieving excellence in research and education.
2. To develop R&D programme relevant to the needs of MGM and other organizations in the related areas.
3. To develop and participate in the academic programmes of the Institute and coordinate research programmes funded by various agencies in the stated and related sector.
4. To initiate and develop student awareness programmes relevant to the needs of Minerals, Metallurgical and Materials Sciences in the country in general and in the State of Odisha in particular.

The tenure for appointment to the Chair shall normally be duration based. The incumbent will enjoy remuneration commensurate with experience and may be at the highest level for a Professor in IIT. The position carries supports in terms of free accommodation, research personnel, secretarial assistance, national and international travel and contingency expenses.

The institute is earnestly in search of an eminent academician/industry/R & D person who can occupy this prestigious position.

An accomplished motivated personality willing to take up this challenging and rewarding opportunity in a city supportive environment may send urgently his/her CV either in hard copy or by e-mail to the **Director, IIT Bhubaneswar, Samantapuri, Bhubaneswar-751013, India** (e-mail: [director@iitbbs.ac.in](mailto:director@iitbbs.ac.in)).

Those who submitted their CVs against our earlier advertisement dated 15.09.2010 need not to apply. However, they are welcome to submit their update CVs if they so desires.
