IIT BHUBANESWAR RANKED AMONG THE TEN ENGINEERING INSTITUTES AS PER CAREERS360

11th April, 2019, Bhubaneswar: It is matter of immense pride and honour that IIT Bhubaneswar has secured top ranking among the Engineering Institutes of the country as per the India's best Universities 2019 ranking issued by eminent media publication Careers360. According to the Careers360 magazine ranking, Indian Institute of Technology (IIT) Bhubaneswar has been ranked '22nd' in India's Best University 2019 in Public Institutions category and 10th (AAAA+) in India's Best University 2019 in Engineering Public Institutions category. Last year Career360 ranking published state wise ranking where IIT Bhubaneswar ranked first in the state with a rating of AAAA+.

Speaking on the occasion, Prof. R.V. Raja Kumar, Director, IIT Bhubaneswar said that *"IIT Bhubaneswar has taken some key steps on multiple fronts including teaching, learning and research in the last four years. Institute also has established a number of start-up centres, a Technology Incubation Centre, a Research and Entrepreneurship Park to promote innovation and entrepreneurship. Many of our students have won several innovation and entrepreneurship awards at various national level competitions."* On this achievement, he congratulated all the faculty, students and staff members, and expressed his gratitude to all who contributed in making this possible which resulted into this successful achievement bringing laurels to the Institute. The Director emphasized that IIT Bhubaneswar needs to further scale up with improvements in productivity amongst the faculty combined with the learning levels of students which will help in progress path ahead.

The framework outlines a methodology to rank institutions across the country. The methodology draws from the broad parameters for ranking various universities and institutions. The parameters broadly cover "Learning & Engagement", "Intellectual Property (IP& IR)," "Publication Count (Output)," "Citation Impact (Impact)," "Research Productivity (Productivity)". On all this parameter, IIT Bhubaneswar secured 188.45/200 in Learning, 20/100 in IP/IR, 8.27/100 in Output, 17.87/100 in Impact and 17.30/50 in Productivity making the grand total to 251.89/550 which is an extremely good score for a second generation IIT which has been in existence since a short time.
