

Indian Institute of Technology Bhubaneswar
School of Humanities, Social Sciences and Management
English Diagnostic Test 2023 - 2024

Date: 08 and 9th August 2023

Mode of Exam: Offline

Total Marks: 100

The English Diagnostic Test is conducted at IIT Bhubaneswar for 1st year B.Tech students at the beginning of every academic year. English Diagnostic Test identifies issues that students have with the English language. The main objective of the test is to help students meet certain academic standards by identifying their strengths and weaknesses in academic English that may interfere with their learning, course-work, teaching and research at IIT Bhubaneswar. The test also aims at improving the quality of teaching, learning, and curriculum at the Institute by helping students find remedies for their weaknesses and poor performance in English language. The test mainly consists of components such as all four language skills: listening, speaking, reading and writing (LSRW) including vocabulary and grammar.

The English Diagnostic Test includes TWO parts:

Part- A: Written Test:

Test Components:

Grammar, Vocabulary, Listening Comprehension, Reading Comprehension, Writing Skills

Venue: Lecture Hall Complex (LHC)

Date: 8th August 2023

Time: 3 pm – 4:45 pm
