

Faculty learning programme at IIT

The AICTE training and learning (ATAL) faculty development programme on effective teamwork started at IIT Bhubaneswar from Monday. It will continue till July 30. The ATAL academy offers continuous learning opportunities to faculty members of the AICTE-approved institutions from all over the country. The initiative is ensuring skill improvisation for AICTE affiliated teachers in pandemic times. Around 200 faculty members from all over India have registered for the week-long event.
