

17th November 2021

Some important guidelines

All the students should note that the dates given to report to the Campus is mandatory. In case, due to the Health reasons or any other reasons, if the journey could not be performed, a prior approval of Dean Academic needs to be taken. Institution regulations would be applied in all cases wherever needed.

- I. Students will be given quarantine rooms in the hostel after reaching campus. Students will have to undergo 10 days of quarantine. For all students arrive within 21st-24th November will be in quarantine up to 4th December, 2021. After quarantine, students will be shifted to single/ sharing accommodation.
- II. It is expected that the students reaching the campus must have taken at least one dose of vaccine. The Institute will arrange to provide vaccination to unvaccinated students and also arrange for the second dose.
- III. RT-PCR test negative report is mandatory for entering the campus, test taken within the last 72 hours of reaching the campus, including the day of reaching. Submit your RT PCR test report to the email Id covidgrievance@iitbbs.ac.in/ whatsapp no. 9776650691 for validation. The concerned person will send you a reply "permitted", message which needs to be shown at the main gate, so that the security personnel will allow you inside.
- IV. All students reaching the campus need to follow the institute SoP.
- V. Students have to pay extra Rs. 500/= (to be adjusted with the mess advance) for the arrangements to be made during the quarantine period for them by the institute.
- VI. During the quarantine period, moving around the hostel premises and meeting personally with other students/friends is strictly prohibited.
- VII. Food and other essential items will be provided at a point near to the quarantine room.
- VIII. Students once come to the campus will not be allowed to visit outside except for medical reasons, as per the SoP.
- IX. Late arrival, after 24th November, 2021 is not permitted. Any request for late entry will not be considered.
- X. Parents will not be allowed to accompany the student inside the campus. Students will be received at the campus main gate and taken to the quarantine centre by the institute bus.
- XI. If any student violates the above rules and regulations, he/she will be sent back to home or necessary action will be initiated.
- XII. Students are advised to bring their winter clothes, necessary electronics items to attend online classes. Both Wi-fi and Ethernet connection are available to access the internet. For this purpose LAN cable should be brought.
- XIII. Personal vehicles are banned for students in the campus. IIT Bhubaneswar encourages cycle culture which is green, healthy and very appropriate for the green campus.
