# About

## CSR Cell

Established in the year 2008, our IIT started functioning from two transit campuses in Bhubaneswar city. Since then, we have certainly come a long way. The present permanent campus is situated at the foot of the Barunei hillock and spreads over 936 acres of land. The hillock is not only a beautiful tourist spot, it is famous for its historical significance. The area is known for the resistance against the British occupation of Khurda Garh, the last independent fort of India, in the year 1803-1804. It is also the landmark of the first freedom struggle in India, the Paika Bidroha during 1810-1817.

But IIT Bhubaneswar's impact extends beyond the realm of academics. Recognizing its responsibility to the wider community, the institute established the CSR Cell, a dedicated unit that drives impactful initiatives focused on social good. This cell serves as a bridge between the institute's intellectual capital and the needs of society, channeling the expertise of faculty, staff, and students towards tackling critical challenges in areas like education, healthcare, and sustainable development. Through collaborative projects, outreach programs, and partnerships with corporates and NGOs, the CSR Cell empowers individuals and communities, ensuring that IIT Bhubaneswar's influence transcends the classroom walls and contributes meaningfully to building a better future.

## CSR Conclave

CSR Conclave 2024, themed "Uniting for Sustainable Impact," takes center stage, urging collaborative action to tackle pressing global challenges. CSR Conclave 2024 serves as a platform for thought leaders, industry experts, academicians, and CSR enthusiasts to converge, exchange ideas, and collaborate towards driving meaningful change. Through insightful discussions, interactive sessions, and networking opportunities, participants will gain valuable insights into the evolving landscape of CSR and its pivotal role in shaping a sustainable future. With the corporate sector's influence woven into the fabric of society, its participation is crucial

This event serves as a powerful platform for industry leaders to join hands with changemakers and sustainability experts. Here, expect insightful Panel discussions on climate action, social responsibility, and innovative solutions. The corporate sector's role extends beyond financial contributions – be it spearheading technological advancements for clean energy, fostering responsible supply chains, or empowering local communities. The CSR Conclave 2024 is a call to action, inviting the corporate sector to leverage its collective power and chart a path towards a more equitable and sustainable future. So, join this impactful gathering and be part of the united force shaping a better tomorrow!
