

One Week QIP Short Term Course

on

Materials to Maintenance in Pavement Engineering (MMPE)

22-26 June 2020

Organized by

School of Infrastructure

Indian Institute of Technology Bhubaneswar

Sponsored by

All India Council for Technical Education (AICTE)

Materials to Maintenance in Pavement Engineering (MMPE)

22-26 June 2020

Registration Form

1. Name:
2. Gender:
3. Designation:
4. Department:
5. Address:
Tel (off): Mob:
E-mail:
6. Educational Qualification:
7. Area of Research:
8. Accommodation required : Yes / No
9. Do you want to join as: **1)** QIP participant **2)** Sponsored (Non-QIP)
10. Payment details: **Transaction ID/ DD No.** **Date**.....
Amount (Please refer **Table I** overleaf)

Date Signature of the Applicant:

Endorsement of the Head of the Institution/Department

Sri/Smt/Dr. _____ of
_____ (Department) of
_____ (Organization) is
permitted to attend the short term course on **Materials to Maintenance in Pavement Engineering (MMPE)** at IIT Bhubaneswar during 22-26 June 2020.

Date: _____

Signature of the Head of the Institution

Mail your Registration forms to: ucshoo@iitbbs.ac.in or akc@iitbbs.ac.in before 22nd May 2020

About the Institute:

IIT Bhubaneswar, established in 2008 is a prominent technical institute in eastern part of India. Located at the foot of the historic Barunei hill (the first freedom struggle 'Paika Bidroha' started here), the institute is well connected by rail, road and airways. Since its inception, IIT Bhubaneswar has been actively engaged in conducting several outreach programs for the benefit of the students and faculty members of other local institutes as well as for the researchers and the industry personnel across the country.

About the Course:

Pavements are integral part of the infrastructure for urban and rural development. With the incessant developments in the field of pavement materials and engineering, it becomes necessary for pavement engineering fraternity to stay updated to deliver economic, sustainable and long-lasting solutions for the highway projects. This course deals with different aspects of pavement engineering along with the state of the art technologies for material characterization, design, construction and maintenance of pavements. The course lectures will cover the following topics but not limited to:

- Pavement Material Characterization (Soil & Unbound Materials, Stabilized Materials, Bituminous Materials and Concrete)
- Pavement Design as per recent IRC guidelines
- Pavement Constructions (Equipment and Technologies)
- Pavement Evaluation and Maintenance
- Application of New Technologies in Pavement Engineering for Sustainable Road Development

Resource Persons:

Lectures will be delivered by experts from different IITs, Research Organizations and Industry.

Coordinators

Dr. U. C. Sahoo

Table-I

Sl. No	Participants Category	Course Fee*	Accommodation	Travel
1	Faculty of AICTE approved Engineering College (Within 30) <i>(Selection of 30 eligible participants will be made first come first basis)</i>	1) No Course fees 2) Need to deposit DD of Rs. 1000/- in favor of CEP, IIT Bhubaneswar <i>(Which will only be refunded on joining the course)</i>	Free accommodation at Institute Guest House/ Student Hostel/ NISER Guest House depending on availability	TA will be reimbursed as per following norms. <i>TA will be reimbursed (On production of tickets) from station to station plus incidental charges of Rs. 800/- (i.e for to and fro fare) subject to limit of three tier AC train/bus fare by the shortest route from their work place to IIT Bhubaneswar and back or Rs. 4000/- whichever is lower.)</i>
2	Faculty of AICTE/ Non – AICTE approved Engg Colleges /Scientist Research Scholar (Exceeding 30)	Rs. 5000/- + 18% GST	**On payment basis	To be borne by the participant
3	Engineers from Industry	Rs 10,000/- + 18% GST	**On payment basis	To be borne by the participant

**Shared accommodation at Institute Guest House @ Rs. 600/- per day, Hostel @ Rs. 225/- per day & NISER Guest House @ Rs 600/-per day based on availability
