THE ANNUAL ENTREPRENEURIAL CONCLAVE

26th - 29th March 2021

CHAIRMAN'S MESSAGE

E-Summit at IIT Bhubaneswar strives to create the perfect platform for edgy minds with disruptive ideas that have the potential to enable better lives. This is our attempt to inspire and educate students, who have the zeal to pursue entrepreneurship and pitch their business ideas in front of investors, gain knowledge on how to transform their idea into a start-up. We also endeavor to introduce the business-world to students, who are new to the field. Our events will be centered on the theme "Reign of Resilience" via a series of interactive sessions and panel discussions. We wish to delve deeper into the idea of innovation itself, and what a start-up needs to flourish in the market.

We cordially invite all passionate young minds, and aspiring entrepreneurs to make their dreams into reality through various well-thought events of E-Summit 2021.
