

Visit to Gandhi Peace Centre

The UBA team organised an educational and recreational excursion to the Gandhi Peace Centre in Bhubaneswar for the students of the government upper primary school in Khudupur village, near the IIT Bhubaneswar campus, on the auspicious occasion of Gandhi Jayanti on October 2, 2022. An escort and around 30 students went to the center. Along with student coordinators and volunteers, Dr. Seema Bahinipati, Coordinator, UBA, and Dr. Niharika Mohapatra, Education theme leader, UBA, IIT Bhubaneswar visited the Centre. The UBA team had organized the trip nicely and made the necessary arrangements to ensure that the purpose of the field trip was accomplished. The purpose of the tour was to familiarize the students with the habits and principles of Mahatma Gandhi, fondly known as the Father of our nation. The Centre has many records and archives pertaining to the life of Gandhiji. Students interacted with the guides present at the event while exploring the digital library of his works. Students were excited to hear the guides' explanations and see the numerous sources of information as they visited the various galleries designated in the center, each of which related to a different time of his life. One of the main points of interest at the venue was the Ahinsa Pillar, which had 10 Gandhian ideals engraved on it and was located in the center of the museum. The students had a great time learning and having fun with their peers on this trip, which was highly educational.
