## IIT holds seminar 'Unleashing the Fire Within'

PNS ■ BHUBANESWAR

The Indian Institute of Technology (IIT) Bhubaneswar organised a seminar on 'Unleashing the Fire Within' on April 19. Keynote speaker author Deepak Chaudhury deliberated on how one can move from a 'life of Default' to a 'life of Design'.

Chaudhury spoke about the importance of setting a goal for achieving success in life. He delved into Neurobiology of Goal Setting, the Desire to Discipline Ration, Finite and Infinite Goals, a Bulletproof Belief System as the key to Limitlessness, the Ravana Effect for developing a mindset to maintain the achieved success.

He said, "You can achieve anything you 'Desire' as long as you

are ready to support each of your desire with a proportionate amount of 'Discipline.'" He defined 'success' as the combination the dimensions like Freedom (Freedom of Finance, Freedom of Task and Freedom of Time), Fulfilment and Fitness. "Intention and Belief are the key to achieving success," he maintained.

Dr Vijaykrishna Kari, Professor-in-Charge-Seminar, IIT Bhubaneswar, coordinated the seminar.
