## 1. निविदा के लिए आमंत्रण / NOTICE INVITING TENDER

ENQUIRY NO. IITBBS/SRIC/RP331/24-25/07

DATE: 05.02.2025

To  
All Eligible Bidders  
Dear Sirs / Madams,

विषय / Sub : निविदा के लिए अनुरोध / **Notice Inviting Tender for Procurement of Intelligent Merging Unit for 33/11 KV Substation.**

1.1 Indian Institute of Technology Bhubaneswar invites online Tenders through CPP Portal <https://eprocure.gov.in/eprocure/app> from eligible Manufacturers/Authorised Dealers /Bidders for procurement of above mentioned item.

1.2 All interested vendors are requested to send their quotation in **Two Bid System** for supply of the above item as per details Technical Specification, General Terms and Conditions and other details including Annexure I to XII. Details of tender are as follows;

Sl. No	Particulars	Remarks
1	Tender Reference No. & Date	IITBBS/SRIC/RP331/24-25/07 dt 05.02.2025
2	Type of Tender	Two Bid System
3	Publish Date & Time	As per CPPP Date sheet.
4	Sale/document Download Start Date & Time	
7	Bid Submission Start Date & time	
8	Bid Submission End Date & Time	
9	Time and Date for Opening of Bid	
10	Bid Securing Declaration	To be submitted Bid Declaration Form as per Annexure – IX
11	Warranty	Twelve (12) months from the date of installation and acceptance by the user
14	Delivery	Delivery, installation, commissioning and demonstration of the product at IIT Bhubaneswar should be completed within 105 Days from the date of issue of the Purchase order
15	Contact Telephone Numbers	0674-7135700
16	For technical queries Contact through E-mail	Prof. Subhransu Ranjan Samantaray <a href="mailto:srs@iitbbs.ac.in">srs@iitbbs.ac.in</a>

1.2.1 Please refer CPPP system generated DATE SHEET for Tender ID and Critical Dates.

1.3 The Tender document and details of terms and conditions can be downloaded from our website [www.iitbbs.ac.in](http://www.iitbbs.ac.in) & <https://eprocure.gov.in/eprocure/app>

1.4 The bidders may submit their bid only through uploading in the CPP Portal <https://eprocure.gov.in/eprocure/app>. No bids received by post or by hand or by FAX/E-mail would be considered for evaluation.

1.5 The Purchaser may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and

obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

## **2. Instructions for Online Bid Submission**

2.1 The bidders are required to submit soft copies of their bids electronically on the CPPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPPP Portal.

2.2 More information useful for submitting online bids on the CPPP Portal may be obtained at: <https://etender.gov.in/eprocure/app>

### **2.3 REGISTRATION**

2.3.1) Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etender.gov.in/eprocure/app>) by clicking on the link “Click here to Enroll”. Enrolment on the CPPP Portal is free of charge.

2.3.2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

2.3.3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPPP Portal.

2.3.4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.

2.3.5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.

2.3.6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

### **2.4 SEARCHING FOR TENDER DOCUMENTS**

2.4.1) There are various search options built in the CPPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPPP Portal.

2.4.2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

2.4.3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

### **2.5 PREPARATION OF BIDS**

2.5.1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2.5.2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

2.5.3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

2.5.4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy,

annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

**Note:** *My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.*

## **2.6 SUBMISSION OF BIDS**

2.6.1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2.6.2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

2.6.3) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

2.6.4) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

2.6.5) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

2.6.6) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

2.6.7 ) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

2.6.8) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

2.6.09) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

2.6.10) The bidder may please not that there is no facility of extension of the bid submission date for what so ever reason. Therefore they should ensure that the bid is uploaded well in advance without waiting for the last date and time as there could be issues like server not responding, internet speed slow, and document not getting uploaded and so on. **IIT Bhubaneswar** shall not be responsible for any of these factors.

## **2.7 ASSISTANCE TO BIDDERS**

2.7.1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2.7.2) Any queries relating to the process of online bid submission or queries relating to CPPP Portal in general may be directed to the 24x7 CPPP Portal Helpdesk.

2.7.3) Tenderer are advised to follow the instructions provided in the 'Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at <https://etender.gov.in/eprocure/app>.

### **3. INSTRUCTIONS**

1. Bidders must submit their digitally signed bids in first Envelope contains the following documents:
  - A. Cover 1**
    - Bid Securing Declaration Form for (Annexure – IX)
    - Technical Bid along with literature
    - OEM Authorization Certificate (MAF)
    - List of Items along with specifications.
    - Firm Registration, GST Registration certificate & copy of PAN
    - Similar Purchase Order copies executed in National Importance Institutions like, IITs, NITs, IISERs, NISER, Central Universities etc.,
    - Bidders details.
    - Make in India declaration for local content. (as per Annexure VIII.)
    - All other documents as per attached Annexures (I to XI Except Price BoQ)
  - B. Cover 2**
    - Price Bid. (In Second Envelope in BoQ Ms-Excel format.)
    - Price reasonability certificate in PDF format & similar Purchase Order/ company price list.
2. The offer must be submitted in **Two Bid - Two Envelope** only though uploading in the CPP Portal, before the last date & time for bid submission.
3. Quotation document (s) and all enclosures must contain the signature of the competent authority of the firm.
4. In case, the firm quoting for above mentioned items is the Authorized Dealer / Distributor of the manufacturer. Copy of authorization certificate should be enclosed with the quotation. Offers submitted without proper authorization shall be rejected summarily.
5. **Original Equipment Manufacturer (OEM) and their Authorized Dealer / Distributor both shall not be participated in tendering process. In such case, OEM Bid will be considered a per CVC guidelines.**
6. The Bank/RTGS detail must be submitted along with the quotations /Tenders on the letter head. A Scan copy of the cancelled cheque can also be attached for verification of IFSC code (if required).

### **4. TERMS & CONDITIONS**

**The offer must comprise of the following failing which it will be treated as non-responsible hence rejected:**

1. **Conditional tenders will not be accepted.**
2. **Price Bid must be submitted in as per BoQ in MS-Excel format only, no other format will be accepted.**
3. **BoQ is in INR only, bidder shall quote in INR only. No request shall be entertained to add any other currency after the floating of the tender under any circumstance.**
4. **Pre-installation Requirement:** The bidder should mentioned pre-installation requirements for the equipment like ambient temperature, humidity, weather specification, power specifications, etc., when items are provided full performance satisfactions, should be demonstrated.
5. **E-Waybill: E-Waybill issued by the institute against the invoice of the vendor. If required as per the Govt notification w.e.f 01.07.2017.**

6. The quoted price (final offer) must be F.O.R. i.e. IIT Bhubaneswar, Permanent Campus, Argul, near Jatni including Packing & Forwarding, Freight, and Insurance etc.
7. CPPP system generates the comparative statement of the price bids (BoQ) and rank the bidders L1, L2, L3 and so on. L1 will be decided cumulative value of all items. Therefore, bidders must ensure that duly filled BoQ in all respect shall be uploaded on CPPP. As the system generated Comparative statements taken into consideration.
8. **Award of the Contract:** Contract will be awarded to lowest evaluated bidder subject to Purchase Preference Policies in Pursuant to Public Procurement Policy for Micro and Small Enterprises (MSEs) and Make In India as per Gol, Ministry of Finance, Department of Expenditure letter No F.1/4/2021-PPD dt 18.05.2023/as per latest Gol order. <https://doe.gov.in/procurement-policy-divisions>
9. The Eligible MSEs / Class 1 Supplier Bidders who intend to match the L1 Price (ultimately decided by the Institute) shall indicate the willingness to match the L1 **Price within 2 working** days from the date of communication from the Institute to avail the purchase preference. In the absence of a reply, it shall be presumed that MSE / the Local Supplier Bidder has rejected the offer and the Institute shall proceed further to Award the contract to lowest evaluated bidder.
10. **Option Clause:** The Purchaser reserves the right at the time of contract award to increase or decrease the quantity of goods and services originally specified in the tender document without any change in unit price or other terms and conditions. Further, at the discretion of the purchaser, the quantities in the contract may be enhanced by 30% within the delivery period.
11. The quotations must be neatly typed or computer printed. **Hand written offer will be rejected.** Quotations must carry the numbers of GST No. invariably on the top.
12. **VALIDITY PERIOD:** The Bid validity and offer validity is 180 days from the end date of submission of the bid.
13. **Delivery Period :** Delivery, installation, commissioning and demonstration of the product at IIT Bhubaneswar should be completed within **105 days** from the date of issue of the Purchase Order.
14. **PAYMENT:** 100% payment except GST will be made after delivery, installation, demonstration & satisfactory acceptance by the user subject to submission of all requisite documents i.e 5% PBG of Purchase Order value, Delivery Challan, Original Tax invoice with mentioning the Institute GST Number 21AAAAI2760A1ZJ, HSN/SAC code, Bank account details, Exact item description and value as per Purchase Order, Purchase Order No & date in the Invoice , Warranty Certificate in Original with clearly mentioning the Warranty Period started from the date of installation/user acceptance to end of the warranty date, Installation Certificate in Original etc and all documents must be stamped and signed by the authorized person of the firm. If the supplier fails to submit the PBG, Institute will release 95% payment and balance 5% will be released after completion of warranty period + 2 months only. No interest shall be claimed by the bidder on the submitted PBG or withheld PBG amount. GST amount will be released after reflecting the same in GST Portal..
15. **WARRANTY:**

Offered materials should have 01 (One) Year onsite OEM Warranty from the date of installation/commission & acceptance by the user. In case at the time of installation of stores / part of stores are found defective / damaged during or after delivery to consignee, the supplier will replace the stores. If the stores / part of stores are found defective / damaged during the warranty period, the supplier will repair/replace the stores at consignee's location in India free of cost or if any case it is required to send back to Foreign/Local manufacturer, supplier should bear the cost. Bank Guarantee equivalent to the cost of equipment is required to be submitted before lifting the store. All expenses including freight, insurance, custom duty for export/import and all clearance charges etc. in this regard will be borne by the supplier.

The equipment under warranty period must be attended & problems rectified immediately within 48 hours of lodging of complaint by the Institute and this may be considered as the down time. The warranty period shall automatically be extended for such period for which the equipment is not attended & rectified on lapses of the down time..

16. **LIQUIDATED DAMAGES:** As time is the essence of this order, the date of delivery, Installation, Commissioning and demonstration of the product should be strictly adhered to, otherwise the delivery, Installation, Commissioning and demonstration in full or in part may not be accepted and penalty for late delivery/Installation/ Commissioning will be imposed @ 0.5% of Purchase Order Value per week or part of the week of the delayed period, subject to a maximum of 10% of the total value of Purchase order. In case of cancellation of order no compensation will be paid towards progress of order/procurement.
17. **PERFORMANCE BANK GUARANTEE (PBG):** The successful Bidder has to submit Performance Security of 5% of the total order value on or after commission of equipment. Performance Security must valid for **14 (Fourteen) months** i.e. 2 months beyond the warranty period to cover the warranty. Performance security is to be issued and sent directly from an Indian Scheduled/Nationalized bank. PBG period starts from the date of the successful installation of the equipment. In case of non-submission of PBG, the equivalent amount will be kept on hold from the Bill amount till completion of Warranty Period beyond warranty period + 2 Months. PBG period will start from the date of the installation. No interest shall be claimed by the bidder on the submitted PBG or withheld PBG amount.
18. **Only 'Class-I local supplier' and 'Class-II local supplier', as defined in the Public Procurement (Preference to Make in India), Order 2017/latest order of Gol shall be eligible to bid in tender. For more details please refer: Order No.: P-45021/2/2017-PP (BE-II), DPIIT, Ministry of Commerce and Industry issued Dated: 16th Sept. 2022 (amended time to time).**

**A declaration has to be provided in this regard that the item offered meets the local content requirement for 'Class-I local supplier' & 'Class-II local supplier'. (As per annexure-VIII)**

19. **REASONABILITY OF PRICES:**

**Bidders must submit the Similar Purchase Order copies executed in Institutions of National Importance like, IITs, NITs, IISERs, NISER, and Central Universities etc. Failure to submit the same, Bid may be rejected.**

20. All communications are to be addressed to the undersigned only. Any kind of canvassing visit to the Institute Premises for enquiry of the status of the tender without prior permission may lead to rejection of the bid.
21. At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the tender documents by amendment. The same would also be hosted on the website of the Purchaser and all prospective bidders are expected to surf the website before submitting their bids to take cognizance of the amendments.
22. **Only those Bidders who meet/comply the eligibility criteria as per the clauses regarding restrictions under Rule 144(xi) of the GFR 2017 as per Gol, Ministry of Finance, Department of Expenditure letter No F.7/10/2021-PPD and F.7/10/2021-PPD all dt 23.02.2023/ as per latest Gopl Order will be considered in addition to other eligibility criteria mentioned in NIT. Bidders must submit an undertaking in this regard as per Annexure X.**  
<https://doe.gov.in/procurement-policy-divisions>
23. **False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Finance Rules along with such other actions as may be permissible under law.**
24. After opening of the technical Bid, the bidder may be asked in writing or online(through email) to clarify on the uploaded documents provided in the technical bid, if necessary, with respect to any doubts or the illegible documents required for technical evaluation. Institute may ask for any other documents/information during technical evaluation of the tender. Provided in all such cases, furnishing of any such documents in no way alters the bidders price Bid. Institute may reserve the right to accept any additional document.
25. For examination, evaluation and comparison of bids, Institute may at his/her discretion to ask the lowest bidder for clarification of his rates including reduction of rate on negotiation and breakdown of unit rates as per Gol rules.

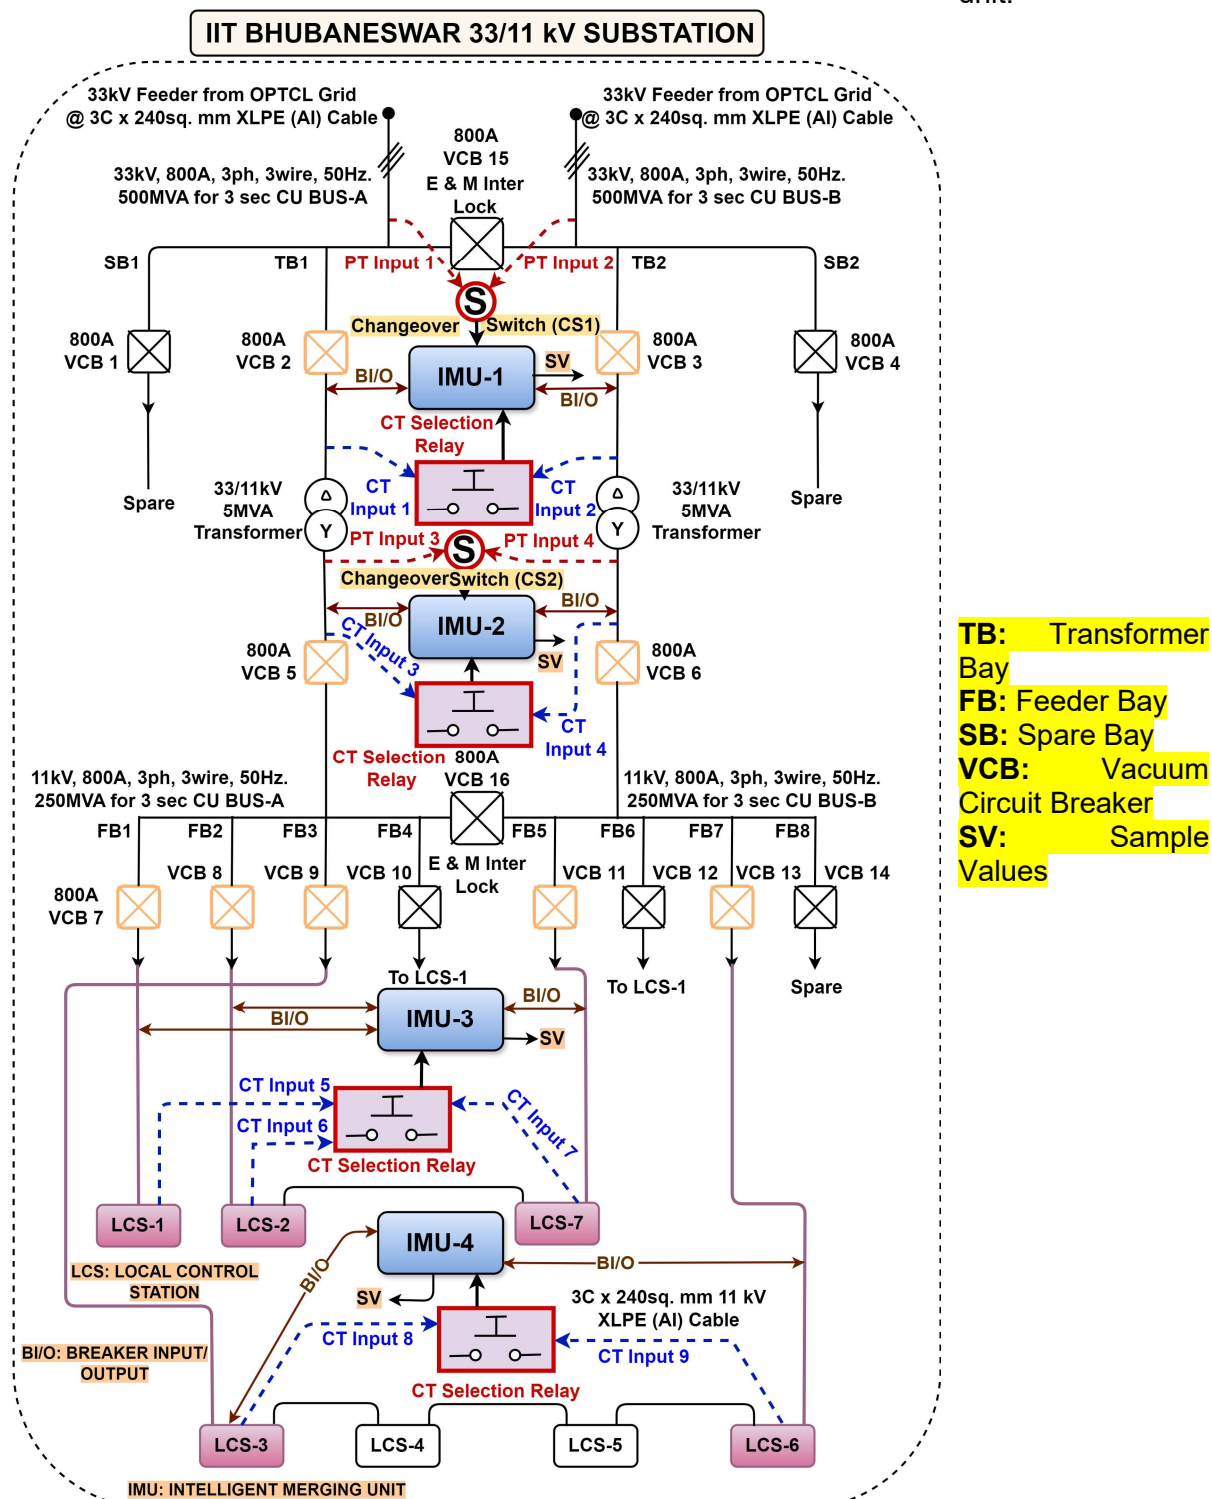

26. IIT Bhubaneswar reserves the right to accept or reject or cancel any or all enquiries or quotations at any stage without assigning any reason thereof.
27. For any dispute, the place of jurisdiction shall be Bhubaneswar, India only.

Yours faithfully,

**Sd/-xxxx**  
**Dean SRIC**  
**For & Behalf of IIT Bhubaneswar**

### TECHNICAL SPECIFICATION OF INTELLIGENT MERGING UNIT FOR 33/11 KV SUBSTATION, QUANTITY : 04 SET.

The Intelligent Merging Unit is the interoperable interface between primary and secondary equipment for process bus solutions conforming to IEC 61869 and IEC 61850-9-2. Measured values of conventional and non-conventional transformers are converted into standardized, Ethernet-based telegrams (SMV). The table below describes the specifications for the merging unit.

❖ **Requirements for Commissioning of 4 IMUs at the 33/11kV Substation:**

1. The four IMUs shall be installed as depicted in the accompanying diagram. IMU-1 will be positioned on the 33kV side, IMU-2 on the 11kV side, IMU-3 connected to FB1, and IMU-4 connected to FB3 by default.
2. The substation has two main transformer bays, TB1 and TB2, with only one operational at a time. A flexible connection setup is required to allow IMUs to connect to either bay. For example, if IMU-1 and IMU-2 are initially connected to TB1, the design should enable a switch to TB2 in case of faults or maintenance.
3. The feeder bay FB4 and FB6 must be provisioned to connect with the IMUs as needed.
4. IMU-1 must be able to interface with circuit breakers VCB 2 and VCB 3.
5. IMU-2 must be able to interface with circuit breakers VCB 5 and VCB 6.
6. IMU-3 must be able to connect to circuit breakers VCB 7, VCB 8, and VCB 11.
7. IMU-4 must be able to connect to circuit breakers VCB 9 and VCB 13.
8. IMU connections must accommodate E&M interlock circuit breakers VCB 15 and VCB 16 to allow status monitoring.
9. IMU-1 must be capable of monitoring the voltage from incoming PTs of TB1 and TB2 at the 33kV side using a switching mechanism to allow monitoring of either bay during changes due to maintenance or faults.
10. IMU-2 must monitor the outgoing PTs of TB1 and TB2 at the 11kV side, with a switching mechanism to facilitate voltage monitoring for either bay during maintenance or fault scenarios.
11. The CT input 1 of TB1 and CT input 2 of TB2 at the 33kV side shall connect to IMU-1 through a CT selection relay, enabling current monitoring for either bay during operational transitions.
12. The CT input 3 of TB1 and CT input 4 of TB2 at the 11kV side shall connect to IMU-2 through a CT selection relay, providing current monitoring during bay changes for maintenance or fault situations.
13. IMU-3 shall connect to CT inputs 5, 6, and 7 on the 11kV side via a CT selection relay to enable current monitoring of FB1, FB2, and FB5, with a default connection to FB1.
14. IMU-4 shall connect to CT inputs 8 and 9 on the 11kV side through a CT selection relay, enabling current monitoring of FB3 and FB7, with a default connection to FB3.

All provisions must be incorporated to allow flexible monitoring and switching for each specified circuit breaker, potential transformer, and current transformer input as outlined above.

**COMPLIANCE OF TECHNICAL SPECIFICATION AND TERMS AND CONDITIONS****Proposed product Make & Model :**

Bid Requirement (Allowed Values)	Compliance (Yes/No)
<p>The Intelligent Merging Unit is the interoperable interface between primary and secondary equipment for process bus solutions conforming to IEC 61869 and IEC 61850-9-2. Measured values of conventional and non-conventional transformers are converted into standardized, Ethernet-based telegrams (SMV). The table below describes the specifications for the merging unit.</p>	
<p style="text-align: center;"><b>IIT BHUBANESWAR 33/11 kV SUBSTATION</b></p> <p><b>Legend:</b></p> <ul style="list-style-type: none"> <li><b>TB:</b> Transformer Bay</li> <li><b>FB:</b> Feeder Bay</li> <li><b>SB:</b> Spare Bay</li> <li><b>VCB:</b> Vacuum Circuit Breaker</li> <li><b>SV:</b> Sample Values</li> </ul> <p><b>Legend:</b></p> <ul style="list-style-type: none"> <li><b>BI/O:</b> BREAKER INPUT/OUTPUT</li> <li><b>IMU:</b> INTELLIGENT MERGING UNIT</li> <li><b>LCS:</b> LOCAL CONTROL STATION</li> </ul>	

❖ **Requirements for Commissioning of 4 IMUs at the 33/11kV Substation:**

15. The four IMUs shall be installed as depicted in the accompanying diagram. IMU-1 will be positioned on the 33kV side, IMU-2 on the 11kV side, IMU-3 connected to FB1, and IMU-4 connected to FB3 by default.
16. The substation has two main transformer bays, TB1 and TB2, with only one operational at a time. A flexible connection setup is required to allow IMUs to connect to either bay. For example, if IMU-1 and IMU-2 are initially connected to TB1, the design should enable a switch to TB2 in case of faults or maintenance.
17. The feeder bay FB4 and FB6 must be provisioned to connect with the IMUs as needed.
18. IMU-1 must be able to interface with circuit breakers VCB 2 and VCB 3.
19. IMU-2 must be able to interface with circuit breakers VCB 5 and VCB 6.
20. IMU-3 must be able to connect to circuit breakers VCB 7, VCB 8, and VCB 11.
21. IMU-4 must be able to connect to circuit breakers VCB 9 and VCB 13.
22. IMU connections must accommodate E&M interlock circuit breakers VCB 15 and VCB 16 to allow status monitoring.
23. IMU-1 must be capable of monitoring the voltage from incoming PTs of TB1 and TB2 at the 33kV side using a switching mechanism to allow monitoring of either bay during changes due to maintenance or faults.
24. IMU-2 must monitor the outgoing PTs of TB1 and TB2 at the 11kV side, with a switching mechanism to facilitate voltage monitoring for either bay during maintenance or fault scenarios.
25. The CT input 1 of TB1 and CT input 2 of TB2 at the 33kV side shall connect to IMU-1 through a CT selection relay, enabling current monitoring for either bay during operational transitions.
26. The CT input 3 of TB1 and CT input 4 of TB2 at the 11kV side shall connect to IMU-2 through a CT selection relay, providing current monitoring during bay changes for maintenance or fault situations.
27. IMU-3 shall connect to CT inputs 5, 6, and 7 on the 11kV side via a CT selection relay to enable current monitoring of FB1, FB2, and FB5, with a default connection to FB1.
28. IMU-4 shall connect to CT inputs 8 and 9 on the 11kV side through a CT selection relay, enabling current monitoring of FB3 and FB7, with a default connection to FB3.

All provisions must be incorporated to allow flexible monitoring and switching for each specified circuit breaker, potential transformer, and current transformer input as outlined above.

<b>Delivery, Installation, Commissioning and, demonstration Period</b>	Delivery, installation, commissioning and demonstration should be completed <b>within 105 days</b> from the date of the issue of the Purchase Order.	
<b>WARRANTY</b>	Offered materials should have 01 (One) Year onsite OEM Warranty from the date of installation/commission & acceptance by the user. In case at the time of installation of stores / part of stores are found defective / damaged during or after delivery to consignee, the supplier will replace the stores. If the stores / part of stores are found defective / damaged during the warranty period, the supplier will repair/replace the stores at consignee's location in India free of cost or if any case it is required to send back to Foreign/Local manufacturer, supplier should bear the cost. Bank Guarantee equivalent to the cost of equipment is required to be submitted before lifting the store. All expenses including freight, insurance, custom duty for export/import and all clearance charges etc. in this regard will be borne by the supplier.	

	The equipment under warranty period must be attended & problems rectified immediately within 48 hours of lodging of complaint by the Institute and this may be considered as the down time. The warranty period shall automatically be extended for such period for which the equipment is not attended & rectified on lapses of the down time..		
<b>Local content declaration &amp; Country of the origin of the equipment</b>	Local content declaration and country of origin must be provided duly stamped and signature by OEM only as per annexure provided in NIT.	Local Content % _____ Country of Origin _____	
<b>Payment Term</b>	100% payment except GST will be made after delivery, installation, demonstration & satisfactory acceptance by the user subject to submission of all requisite documents i.e 5% PBG of Purchase Order value, Delivery Challan, Original Tax invoice with mentioning the Institute GST Number 21AAAAI2760A1ZJ, HSN/SAC code, Bank account details, Exact item description and value as per Purchase Order, Purchase Order No & date in the Invoice, Warranty Certificate in Original with clearly mentioning the Warranty Period started from the date of installation/user acceptance to end of the warranty date, Installation Certificate in Original etc and all documents must be stamped and signed by the authorized person of the firm. If the supplier fails to submit the PBG, Institute will release 95% payment and balance 5% will be released after completion of warranty period + 2 months only. No interest shall be claimed by the bidder on the submitted PBG or withheld PBG amount. GST amount will be released after reflecting the same in GST Portal.		
<b>PERFORMANCE BANK GUARANTEE (PBG):</b>	The successful Bidder has to submit Performance Security of 5% of the total order value on or after commission of equipment. Performance Security must valid for <b>14 (Fourteen) months</b> i.e. 2 months beyond the warranty period to cover the warranty. Performance security is to be issued and sent directly from an Indian Scheduled/Nationalized bank. PBG period starts from the date of the successful installation of the equipment. In case of non-submission of PBG, the equivalent amount will be kept on hold from the Bill amount till completion of Warranty Period beyond warranty period + 2 Months. PBG period will start from the date of the installation. No interest shall be claimed by the bidder on the submitted PBG or withheld PBG amount.		
<b>Past Performance</b>	Bidders must submit the Similar Purchase Order copies executed in Institutions of National Importance like, IITs, NITs, IISERs, NISER, Central Universities etc. Failure to submit the same, Bid may be rejected		
<b>Liquidated Damages</b>	As time is the essence of this order, the date of delivery, Installation, Commissioning and demonstration of the product should be strictly adhered to, otherwise the delivery, Installation, Commissioning and demonstration in full or in part may not be accepted and penalty for late delivery/Installation/ Commissioning will be imposed @ 0.5% of Purchase Order Value per week or part of the week of the delayed period, subject to a maximum of 10% of the total value of Purchase order. In case of cancellation of order no compensation will be paid towards progress of order/procurement.		
<b>Restriction on Land border sharing</b>	Bidder must comply the all clauses regarding restrictions under Rule 144(xi) of the GFR 2017 as per GoI, Ministry of Finance, Department of Expenditure letter No F.7/10/2021-PPD and F.7/10/2021-PPD all dt 23.02.2023. and also submit an undertaking in this regard as per Annexure attached.		
<b>Cancellation</b>	IIT Bhubaneswar reserves the right to accept or reject or cancel any or all enquiries or quotations at any stage without assigning any reason thereof.  Printed conditions, if any, contained in or sent along with the quotation shall not be binding on us. IIT Bhubaneswar reserves all the rights cancel the Purchase Order at any stage without assigning any reason thereof.		
<b>Jurisdiction</b>	For any dispute, the place of jurisdiction shall be Bhubaneswar, India only.		
<b>Packing &amp; insurance</b>	Goods should be securely, safely and adequately packed, insured & dispatched at the risk of supplier.		
<b>Damaged or unapproved goods</b>	All damaged or unapproved goods shall be returned at your cost & risk and the incidental expenses incurred thereon shall be recoverable from any of your bill.		

<b>Submission of other documents</b>	Bidders must submit the Manufacture Authorization Form duly signed by the OEM, Bidder Details, Acceptance for Bid Terms and Conditions, Bid Securing declaration certificate, Restriction on Land border sharing undertaking, Vendor Master Form, <b>Firm registration, GST registration certificate and PAN etc.</b>	
<b>Offer Price</b>	The bidder must be quoted the price (final offer) on F.O.R. destination IIT Bhubaneswar basis. Offered price must be included all charges i.e. Packing & Forwarding, Freight, custom clearance, cargo handling, GST and Insurance etc. whichever is applicable as per Gol norms.	
<b>Participation of OEM/Dealer</b>	As per CVC guidelines OEM and their authorised dealer/partner cannot bid simultaneously for the same item in same tender. In such case, OEM Bid will be considered.	
<b>False declarations</b>	False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Finance Rules along with such other actions as may be permissible under law.	
<b>After opening of the technical Bid</b>	After opening of the technical Bid, the bidder may be asked in writing or online(through email) to clarify on the uploaded documents provided in the technical bid, if necessary, with respect to any doubts or the illegible documents required for technical evaluation. Institute may ask for any other documents/information during technical evaluation of the tender. Provided in all such cases, furnishing of any such documents in no way alters the bidders price Bid. Institute may reserve the right to accept any additional document.	
<b>After opening of the Price Bid</b>	For examination, evaluation and comparison of bids, Institute may at his/her discretion to ask the lowest bidder for clarification of his rates including reduction of rate on negotiation and breakdown of unit rates as per Gol rules.	
<b>Other terms &amp; conditions</b>	As per NIT
