Scope towards Installation, Testing & Commissioning of Old Split Air Conditioners in Room no-302 & 303 of SMS building at IIT BHUBANESWAR, ARGUL.

1. Only IDUs & ODUs will be supplied by the Institute. However, the remaining items like Copper pipes, drain pipes, cables from IDUs to ODUs shall be supplied by the successful bidder. The dimensions of the Copper pipes & the drain pipes shall be as per the schedule and shall comply with the relevant IS standard.
2. The quantities mentioned in the schedule is tentative, the same may vary at site. The bidders have to inspect the site before installation starts & accordingly the copper pipe & drain pipes are to be supplied at site.
3. Jointing of Copper pipes shall be avoided. However in extreme case as per the site condition, where the length of the copper pipe is more, jointing of the Copper pipes shall be done through Brazing. The accessories required for the Brazing shall be arranged by the firm within the tendered cost. Proper standard shall be followed by the firm for Brazing work.
4. During installation, all valves/flair nuts etc are to be replaced with a new one without extra cost.
5. Pressure testing shall be carried out with the help of Nitrogen gas as per the prevailing standard following which vacuuming shall be done after which the gas charging shall be done. In no case, the leakage shall be observed in the copper pipe line between the IDUs & ODUs.
6. Drain pipe line to be supplied & installed at site shall be insulated properly.
7. Refrigerant shall be supplied by the firm as per the schedule.
8. Civil work like drilling/wall cutting etc is under the scope of the contractor which is required for taking the pipes outside for connection with the ODUs. However, the civil work shall be taken up after taking permission from the Institute & shall be done as per the direction of the Engineer-in charge.
9. The ODUs will be installed in terrace over the wall using outdoor stand. The exact location of the IDUs & ODUs will be decided by the Engineer-in-charge or his representative. While laying the pipe lines (Refrigerant, Drain pipe), care should be taken to retain the aesthetic part of the Building.
10. After completion of the erection work, the ACs are to be tested. In case the cooling will not be effective after the installation due to defects in the old IDUs & ODUs, the defective part shall be replaced by the firm from the existing spare ACs lying with the Institute.
11. During gas filling, care should be taken by the firm to avoid gas leakage to the surrounding.

Superintending Engineer(C).

COMMERCIAL & OTHER TERMS AND CONDITIONS:

1. **Scope of work:** Details enclosed as **Annexure-I, Annexure-III.**
2. **Consumables/Small items:**

The rates shall be all inclusive of establishment as well consumables/small items required for the work. The contractor is required to assess the probable quantity of all types of consumables & other small items likely to be required for execution of the work. Nothing extra on account of consumables shall be payable over and above the contract value. Only the valves/flair nuts if required shall be supplied & installed with additional cost as per the market rate.
3. The scrutiny of the bid shall be done by the Engineer-in-charge. Necessary clarification required by the Institute shall be furnished by the tenderer within the time given by the Institute.
4. The tenderers are allowed to resubmit revised bids any number of time but same shall be before last date and time of submission of bid as per the tender notification.
5. The bid submitted shall become invalid in case the bidder is found ineligible or found defaulter in submitting any of the required documents as per the tender notification.
6. **Taxes and Duties:** GST will be reimbursed on issue of tax invoice. GST element is to be disclosed separately in the invoice.

Taxes & labour cess as applicable will be deducted from the Bill.
7. The contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall, except as otherwise provided, cover all his obligations under the Contract and all matters and things necessary for the satisfactory completion of the works.
8. **Specification:** The execution of work should be done at site as per the specifications and material approved by the Engineer-in-Charge.
9. **Inspection & Tests:**

The Institute or its representatives shall have the right to inspect and test the items for their conformity to the specifications/standards. The contractor has to submit the test certificates of the items to be supplied on demand from IITBBS. The performance of the ACs will be tested in presence of the Engineer In-charge or his representative after completion of work.

The materials on receipt in the Institute's premises shall be checked in presence of the Institute representative and if any material or part thereof is found defective or not, the same shall be replaced by the Contractor.
10. **Time for completion:**

Entire work shall be completed within 15 days (fifteen) from the date of issue of Work Order

In case the contractor fails to complete the work as per the above completion schedule, LD clause will be applicable.

- iv) Indian Standard specification of BIS.

13. If there are varying or conflicting provisions made in any one document forming part of the contract, the accepting authority shall be the deciding authority with regard to the intention of the document and his decision shall be final and binding on the contractor.

14. Paying Officer: The Registrar, IIT Bhubaneswar.

15. Performance guarantee: 5% of Tendered value shall be deposited by the successful bidder in the form of Demand Draft drawn in favour of Registrar, IIT Bhubaneswar payable at Bhubaneswar from any nationalized bank within the period specified in **Schedule-F**. In case the contractor fails to deposit the said performance guarantee within the period as indicated in **Schedule 'F'** including the extended period, if any, EMD will be forfeited automatically without any notice to the contractor. The Performance guarantee amount will be released after successful completion of the work on written request from the contractor. The amount will be forfeited & credited to IIT BBS's account in case of non-compliance of the terms & conditions of the tender. No interest shall be payable to the bidder against the performance guarantee. If the agency does not start the work or does not perform the assigned work properly and/or in time as per the schedule, the deposits including performance guarantee will be forfeited by the Institute.

In the event of the contract being determined or rescinded under provision of any of the Clause/Condition of the contract, the performance guarantee shall stand forfeited in full and shall be absolutely at the disposal of IITBBS.

The time allowed for submission of the performance guarantee shall be 07 days from the date of issue of "Letter of Intent" (LOI). This period can be further extended at the written request of the contractor by the Engineer-in-charge for a maximum period ranging from 1 to 7 days with a late fee @ 0.1% per day of Performance Guarantee Amount. If the bidder still fails to deposit the performance guarantee within the extended time period, i.e. within 8th day to 15th day from the issue of letter of Intent (LOI), his/her bid will be rejected and treated as cancelled and the entire Earnest Money Deposit will be forfeited.

16. Warranty: The materials, works covered under the contract shall be warranted for a period of 6 months from the date of final testing, commissioning against any defect in the supplied items & the workmanship. During this period, the contractor has to replace/repair the defective material free of cost, failing which equivalent amount will be deducted from Security deposit. The contractor will not be liable for the defects pertaining to the IDUs & ODUs which are the property of IITBBS & are not supplied by the contractor.
