Bhubaneswar, 23rd November 2025: With a view to encouraging the swimmers of the campus and providing them a facility to practice, Indian Institute of Technology (IIT) Bhubaneswar has opened its much-awaited, state-of-the-art swimming pool in its campus on 22nd February 2025. The swimming pool was inaugurated by Prof. Shreepad Karmalkar, Director of the Institute, in the presence of Shri Bamadev Acharya, Registrar; Prof. Sarat Kumar Panda, Chairman, Infrastructure, and Dr. Kodandaram Mangipudi, President-Student Gymkhana.

To mark the inauguration, a Grand Splash was organized, wherein the students, faculty members, employees, and residents of the campus enjoyed a 'Dive-Jump-Splash' moment. Director Prof. Karmalkar also joined them and encouraged them.

It is worth mentioning that the swimming pool at IIT Bhubaneswar is built as per international standards, with a minimum depth of 1.8 meters and a maximum depth of 5 meters. The length of the pool is 50 meters, and the width is 25 meters. A professional swimming instructor, along with lifeguards, are deployed to ensure safe training and practice for the swimmers of the Institute.

To encourage swimmers on campus and provide a facility for practice, the Indian Institute of Technology (IIT) Bhubaneswar has inaugurated its much-anticipated, state-of-the-art swimming pool on February 22, 2025.

The inauguration was conducted by Prof. Shreepad Karmalkar, the Director of the Institute, in the presence of Shri Bamadev Acharya, the Registrar; Prof. Sarat Kumar Panda, the Chairman of Infrastructure; and Dr Kodandaram Mangipudi, the President of the Student Gymkhana.

To celebrate the opening, a “Grand Splash” event was organised, where students, faculty members, employees, and campus residents enjoyed a fun-filled “Dive-Jump-Splash” moment together. Director Prof. Karmalkar also participated in the event to encourage everyone.

It is important to note that the swimming pool at IIT Bhubaneswar meets international standards, featuring a minimum depth of 1.8 meters and a maximum depth of 5 meters. The pool measures 50 meters in length and 25 meters in width. A professional swimming instructor, along with lifeguards, has been assigned to ensure safe training and practice for the swimmers at the Institute.

IIT Bhubaneswar opens swimming pool for students and faculty

PBD BUREAU

BHUBANESWAR, NOV 23

IN a major boost to its sports infrastructure, the Indian Institute of Technology (IIT) Bhubaneswar has inaugurated a cutting-edge swimming pool on its campus. The pool, which was opened on Saturday, is designed to cater to the growing interest in swimming among students, faculty, and staff, providing them with a world-class facility for training and recreation.

The inauguration ceremony was graced by IIT Bhubaneswar Director, Prof. Shreepad Karmalkar, along with key officials. To celebrate the occasion, the Institute hosted a vibrant

'Grand Splash' event, where students and staff dived in to make a splash alongside Prof. Karmalkar, marking the beginning of a new chapter in campus sports.

Spanning 50 metres in length and 25 metres in width, the pool meets international standards with depths ranging from 1.8 to 5 metres. A professional swimming coach and trained lifeguards will be available to ensure safety and high-quality training for swimmers.
