ABOUT THE EVENT

The Government of India is organising the India AI Impact Summit from 15–20 February 2026 in New Delhi, bringing together global leaders from governments, industry, academia, and international organisations to advance cooperation in the field of Artificial Intelligence. **IIT Bhubaneswar is serving as the Academic Partner for the “Democratizing AI Resources” Working Group of the Summit.** As part of the preparations, IIT Bhubaneswar is organizing this Pre-Summit Event. The event will highlight the importance and benefits of democratising AI resources. Several talks by distinguished speakers from industry and academia have been arranged throughout the day, focusing on approaches for AI democratization and recent advancements in AI domains.

ELIGIBILITY AND SELECTION

- Students, faculty members, industry experts and representatives from nearby higher educational institutions.
- Only limited seats are available. Selection will be done on a first-come-first-serve basis.

FOOD/ACCOMMODATION/TRAVEL

- Refreshments and lunch would be provided
- There is no provision for traveling allowance or accommodation for the participants

MODE

The event will be conducted in **offline mode** at IIT Bhubaneswar
