## Procedure for change of Elective/Breadth/Lateral Subjects

The students who are willing to change their Elective/Breadth/Lateral Subjects are herewith instructed to apply in the EIMS by following the procedures mentioned below and complete the registration within the deadline as per the Academic Calendar:

1. Click on change subject.
2. Select the new subject and submit.
3. If subject is not available, apply to the subject teacher for approval.
4. The approval will be based on the availability of seats in the classroom and CGPA of the students applied.
5. After approval, selected students will be recommended by the subject teacher in the EIMS portal for the Faculty Advisor.
6. Faculty Advisor will complete the registration of the subject, if timetable permitted.
