 - a) **Tendered goods are divisible in nature, the following procedure shall be followed to evaluate L1 with the margin of purchase preference of 20% to Local supplier:**
 - i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is from a local supplier, the contract for full quantity will be awarded to L1.
 - ii. If L1 bid is not from a local supplier, 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the local suppliers, will be invited to match the L1 price for the remaining 50% quantity subject to the local supplier's quoted price falling within the margin of purchase preference i.e. (L1+20%), and contract

for that quantity shall be awarded to such local supplier subject to matching the L1 price. In case such lowest eligible local supplier fails to match the L1 price or accepts less than the offered quantity, the next higher local supplier within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on local suppliers, then such balance quantity may also be ordered on the L1 bidder.

b) Tendered goods are not divisible in nature, the following procedure shall be followed to evaluate L1 and award of contract:

- i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is from a local supplier, the contract will be awarded to L1.
- ii. If L1 is not from a local supplier, the lowest bidder among the local suppliers, will be invited to match the L1 price subject to local supplier's quoted price falling within the margin of purchase preference i.e. (L1+20%), and the contract shall be awarded to such local supplier subject to matching the L1 price.
- iii. In case such lowest eligible local supplier fails to match the L1 price, the local supplier with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the local suppliers within the margin of purchase preference matches the L1 price, then the contract may be awarded to the L1 bidder.

c) For more clarity in this regard, following table is furnished:

Quantity of Tendered goods	Price quoted by Local suppliers	Finalization of tender
Can be Split	L1	Full order on Local supplier
Can be Split	Not L1 but within L1 + 20%	50% order on Local supplier subject to matching L1 price
Cannot be Split	L1	Full Order on Local supplier
Cannot be Split	Not L1 but within L1+20%	Full Order on Local supplier subject to matching L1 price

d) Definitions of terms applicable to this clause:

- ii. Self certification that the item offered meets the minimum local content of 50% giving details of the location(s) at which the local value addition is made in case the bidder wishes to avail the benefits under the Start up India/ make in India policy.
- iii. 'Local supplier' means a supplier or provider whose product offered for procurement, has Local Content equal to or more than 50% as defined under Make In India Modified Order dated 04/06/2020:
- iv. 'L1' means the lowest tender or lowest bid or the lowest quotation received in this tender, bidding process or other procurement solicitation as adjudged in the evaluation process as per the tender or other procurement solicitation.
- v. 'Margin of purchase preference ' means the maximum extent to which the price quoted by a local supplier may be above the L1 for the purpose of purchase preference.

- ii. In cases of procurement for a value in excess of ₹ 10 crores, the local supplier shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.

iii. False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Finance Rules along with such other actions as may be permissible under law.

17.2 Price Preference to MSEs in Pursuant to Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2018:

a). Tendered goods are divisible in nature , The following procedure shall be followed to evaluate L1 with the margin of purchase preference of 15% to MSEs bidder:

- i) In case MSME bidder is L1 entire value of the tender is to be ordered on the L1 MSME bidder.
- ii) In tender, participating Micro and Small Enterprises quoting price within price band of L1 + 15% shall also be allowed to supply a portion of requirement by bringing down their price to L1 price in a situation where L1 price is from someone other than a Micro and Small Enterprise and such Micro and Small Enterprise shall be allowed to supply upto 25 percent of the total tendered value (**where the tender quantity can be split**). Within this 25% (Twenty five Percent) quantity, a purchase preference of (4%) four percent is reserved for MSEs owned by Scheduled Caste (SC)/Scheduled Tribe (ST) entrepreneurs & (3%) three percent is reserved for MSEs owned by the Women entrepreneurs. (*if they participate in the tender process, price quoted by them within the L1+ 15% and match the L1 price*).

Illustration: Say total tender quantity is 100 Nos. Then L1 will get 75 Nos, L1+15% MSE(other than SC/ST or women ownership) will get 18 Nos, L1+15% MSE owned by SC/ST will get 4 Nos and L1+15% MSE owned by Women will get 3 Nos, if they match L1 price.

b) Tendered goods are not divisible in nature. The following procedure shall be followed to evaluate L1 with the margin of purchase preference of 15% to MSEs bidder:

- i) In case MSE bidder is L1 entire value of the tender is to be ordered on the L1 MSME bidder.
- ii) In case MSE bidder is not L1, then MSE shall be allowed to supply total tendered quantity provided their quoted price is within a price band of L1 + 15% and they match the L1 price.
- iii) If there are more than one eligible MSE bidders (price band within L1+15%) then the opportunity to match the L1 rate of the tender shall be given first to MSE (who have quoted lowest rate among the MSEs within the price band of L1+15%) and the total quantity shall be awarded to him after matching the L1 price of the tender.
- vi) If the MSE who have quoted lowest rate among the MSMEs in the price band of L1 + 15% do not agree to match the rate of L1 of the tender, then the next ranked MSE bidder who has quoted within the price band of L1 + 15% in order shall be given chance to match the rate of L1 for award of the quantity/order.
- v) For more clarity in this regard, following table is furnished:

Quantity of Tendered goods	Price quoted by MSE	Finalization of tender
Can be Split	L1	Full order on MSE
Can be Split	Not L1 but within L1+15%	25% order on MSE subject to matching L1 price subject to sub quota of SC/ST or Women MSE
Cannot be Split	L1	Full Order on MSE
Cannot be Split	Not L1 but within L1+15%	Full Order on MSE subject to matching L1 price

- c) The purchase preference to MSE is not applicable for works contracts where supply of goods not produced by MSEs is involved.
- d) The aforesaid Policy is meant for procurement of only goods produced and Services rendered by MSEs and not for any trading activities by them. An MSE unit will not get any Purchase Preference over any other MSE Unit.
- e) Definition of MSEs unit ownership for SC/ST or Women (as applicable):

- i) In case of proprietary MSE, proprietor(s) shall be SC /ST or Women.

17.4 The Eligible MSEs / Local Supplier Bidder who intend to match the L1 Price (ultimately decided by the Institute) shall indicate the willingness to match the L1 **Price within 2 working** days from the date of communication from the Institute to avail the purchase preference.
