IIT BBS green audit score 88.36%

Awarded certificate

PNS ■ Bhubaneswar

The Indian Institute of Technology (IIT) Bhubaneswar has successfully completed a comprehensive Green Audit of its campus and has been awarded a Green Audit Certificate in accordance with the provisions of the National Building Code 2016 (Part 11) and the directives of NAAC and NABCB.

The achievement marks a significant milestone in the institute's continued commitment towards environmental sustainability and responsible campus management. The audit recorded an overall

compliance score of 88.36%, indicating a commendable level of adherence to prescribed sustainability standards.

The Green Audit covered key areas such as energy usage and efficiency, water management and conservation, waste management (including solid, liquid and e-waste), air quality, biodiversity and green cover, environmental awareness, and regulatory compliance. The findings highlighted the institute's systematic implementation of sustainability practices, operational procedures promoting environmental conservation, and initiatives aimed at creating awareness among students and staff.

systematic implementation of sustainability practices, operational procedures promoting environmental conservation, and initiatives aimed at creating awareness among students and staff.

This milestone has been made possible through the active cooperation, dedicated efforts, and continuous support of all stakeholders, including various functional units of the Institute. Their collective contribution has played a vital role in strengthening the Institute's sustainability framework and enhancing its environmental performance.

IIT Bhubaneswar remains committed to further strengthening its environmental initiatives and advancing its vision of a greener, more sustainable campus. The Institute will continue to promote responsible practices and foster a culture of sustainability in all its activities.

The image shows a Green Audit Certificate issued by TRUE QUALITY CERTIFICATIONS. The certificate is for Indian Institute of Technology Bhubaneswar (IITBBS). It details the audit scope, findings, and conclusion. The audit was conducted on 20/11/2025 to 21/11/2025, and the institution achieved 88.36% compliance. The certificate is signed by Mr. Reetesh Kumar Jain, Managing Director, and dated 01/12/2025.

TRUE QUALITY CERTIFICATIONS
Committed Towards Sustainability and Quality

GREEN AUDIT CERTIFICATE
Certificate No.: TQC/2025/GA/001
Date of Issue: 01/12/2025

This is to certify that a Green Audit was conducted at the premises of:
Institution Name: Indian Institute of Technology Bhubaneswar (IITBBS)
Building Owner: Indian Institute of Technology Bhubaneswar (IITBBS)
Address: Indian Institute of Technology Bhubaneswar,
Argul, Jatni, Khordha, Odisha, Pin code: 752050
Type of Institution: College
Green Audit as per National Building Code 2016 – Part 11 and as per directives of NAAC & NABCB
Inspection Date(s): 20/11/2025 to 21/11/2025

Scope of Audit
- Energy Usage and Efficiency
- Water Management and Conservation
- Waste Management (Solid, Liquid, E-waste)
- Air Quality and Emissions
- Biodiversity and Green Cover
- Environmental Policy and Awareness
- Legal and Regulatory Compliance (Environment-related)

Summary of Findings
The institution has demonstrated:
✓ Implementation of basic environmental sustainability practices
✓ Operational procedures that promote environmental conservation
✓ Initiatives on awareness among students and staff

Areas for improvement (if applicable) were communicated to the auditee. A detailed inspection report TQC/2025/GA/AR/001 dated 01/12/2025 has been submitted.

Conclusion
Based on the audit conducted in accordance with National Building Code 2016 – Part 11 and as per directives of NAAC & NABCB, indicates **88.36%** compliance as per our scoring method.

Authorized Signatory:
Mr. Reetesh Kumar Jain
Managing Director

Signature: _____ Date: 01/12/2025

◆ This certificate is issued in good faith based on the inspection findings.
◆ Re-audit is recommended after 1/2/3 years or upon major changes.
◆ This certificate is valid only when presented with the original audit report.
◆ Do not alter or reproduce without permission of the inspection body.
