No. F. 15-53 /2022- Acad

NOTICE No. 372 /2026, Date:- 29-06-2026.

Online applications (through EIMS) in the prescribed format for M.Tech. Specialization Change are invited from the interested and eligible Dual Degree students who have successfully completed their 3rd year (6th Semester) in the Academic Year 2025-26. The application of such students should duly be recommended by the Faculty Adviser and Head of School/Department through EIMS.

The opening date for submission of online application in EIMS is **01st July, 2026.**

The last date for submission of online application in EIMS is **07th July, 2026.**

Rules for Dual Degree Specialization change:

1. Students should obtain minimum CGPA of 8.00 at the end of the 6th Semester without pending backlog (i.e., the student must have cleared all backlog subjects), to be eligible for the specialization change.
2. Specialization can be changed within the core branch only.
3. Maximum number of students to be permitted for specialization change is such that the strength of the students registered in a programme should not fall by more than 10%.
4. No change in specialization is permitted from a branch if the student strength is less than 50% of the intake strength.
5. Specialization change is not reversible. Students have to accept the decision.
6. In case of a tie in merit, it will be broken by the JEE (Advanced) rank of the applicants.

Students should be very careful while choosing the option for specialization change. No modification is permitted after submission of online application. The CGPA obtained by the students will automatically filled up by the EIMS.
