

Call for Papers

Overview

Industrial and infrastructure assets consist of complex systems, subsystems, hardware components, and smart sensing technologies. Understanding failure mechanisms and lifecycle behaviour is essential for improving reliability, safety, performance, and cost-effectiveness. ICMIAM 2027 addresses these challenges by promoting informed, data-driven decision-making within structured asset management framework.

Aim

This conference aims to raise awareness of emerging trends in maintenance, reliability, and asset management by showcasing best practices, innovative industrial applications, and successful asset management strategies. It fosters collaboration among engineers, researchers, policymakers, and industry professionals to advance sustainable, resilient, and high-performance asset systems.

Organized by

Indian Institute of Technology Bhubaneswar

Key Supporting Core Entity:

ICMIAM Inc

Important Dates

1st – 3rd December 2027

8th International Conference on Maintenance and Intelligent Asset Management (ICMIAM 2027)

About Bhubaneswar

Bhubaneswar, the capital city of Odisha, is known for its rich heritage, ancient temples, and vibrant cultural traditions. Often called the “**Temple City of India**,” it beautifully blends historical charm with modern urban development.

About IIT Bhubaneswar

IIT Bhubaneswar is a premier institute of national importance, offering excellence in education, research, and innovation. It fosters cutting-edge research and interdisciplinary collaboration to address emerging technological and societal challenges.

Tracks

1. Asset Management & Maintenance Systems
2. Diagnostics, Monitoring & Smart Sensing
3. Energy Systems, Built Environment & Sustainability
4. Safety, Risk, Security & Ethics
5. Advanced & Emerging Applications

Patron:

Prof. Shreepad Karmalkar

Co-Patrons:

Prof. Syed Islam and Prof. Iven Mareels

General Chairs:

Prof. S R Samantaray

Prof. Gopi Chattopadhyay

Prof. Raghivir Pai

Prof. J Maiti

Co-Chairs:

Prof. Uday Kumar

Prof. Ramin Karim

Prof. Rakesh Mishra

Prof. Joarder Kamruzzaman

Conveners:

Dr. Chandrasekhar Perumalla

Dr. Venugopal Arumuru

Local Organizing Committee:

Prof. Pravas Ranjan Sahu

Prof. Chandrashekhar Narayan Bhende

Dr Shantanu Kumar

Dr. Pankaj D Achlerkar

Dr. Abhineet Prakash

Dr. Bidhan Biswas

Dr. Ramu Nair

Dr. Akshay K.

Dr. Atri Mukhopadhyay

Dr. Himanshu Pramod Padole

Dr. Nitya Tiwari

Dr. Raktim Halder

Dr. Siddhartha S. Borkotoky

Dr. Srinivas Boppu

Dr. Devashree Tripathy

Dr. Debiprasanna Sahoo

Dr. Joy Chandra Mukherjee

Dr. Ram Prasad Padhy

Dr. Ankit Dalal

Dr. Ankit Ravindra Deshmukh

Dr. Dipankar De

Dr. Sayan Dey

Dr. Srinivas Pinisetty

Dr. Ayan Palchaudhuri

Dr. Barathram. Ramkumar

Dr. Manas Ranjan Pattnayak

Dr. Rahul Kumar

Dr. Soumya Ranjan Sahoo

Dr. Deba Datta Mondal,

Dr. Naeem Mian,

Dr. Shirshendu Sikdar

Advisory Board:

Prof. Gopinath (Gopi) Chattopadhyay, Federation University, Australia

Prof. Raghuvir Pai, Manipal Institute of Technology, India

Prof. Syed Islam, Adviser, Federation University Australia

Dr. Anne Gibbs, Asset Management Council Australia

Prof. Iven Mareels, Federation University Australia

Prof. Joarder Kamruzzaman, Federation University Australia

Prof. Gour Karmakar, Federation University Australia

Dr. Abdul Chowdhury, Adelaide University

Dr. Harpreet Kandra, Federation University Australia

Mr. Venkata Sudula, Federation University Australia

Dr. Shantanu Kumar, Arup

Dr. Madhu Menon, JCU, Australia

Dr. Narottam Das, CQU, Australia

Dr. Anisur Rahman, Griffith University, Australia

Dr. Venkat Reddy, Queensland Rail, Australia

Mr. Ravi Don, Federation University Australia

Mr. Dennis Noble, Federation University Australia

Dr. Vickram Chundhoo, Ex Federation University Australia

Prof. Rakesh Mishra, Huddersfield, UK and his team

Prof. Uday Kumar, LTU, Sweden

Prof. Ramin Karim, LTU, Sweden

Dr. Ravdeep Kour, LTU, Sweden

Prof. Jan-Harm, University of Johannesburg

Dr. Anisur Rahaman, Griffith University

Prof. Indra Gunawan, Flinders University

A/ Prof. Ayon Chakraborti, Federation University Australia

Prof. Gayan Kahandawa Appuhamillage, Federation University Australia

Prof. Harekrishna Misra, Institute of Rural Management, India

Prof. Wenxian Yang, University of Huddersfield, UK

Prof. Jan-Harm Christiaan Pretorius, University of Johannesburg, South Africa

Prof. Jyoti K. Sinha, University of Manchester, UK

Prof. Pavan Kumar Kankar, IIT Indore, India

Prof. Tebello N.D. Mathaba, University of

Johannesburg, South Africa

Prof. Paul Allen, University of Huddersfield, UK

Dr Karl Walton, University of Huddersfield, UK

Prof. Karsten Schmidt, Frankfurt University of

Applied Sciences, Germany

Dr. Subhadarsini Parida, Adelaide University

Prof. Prachi Mukherjee, Dean, Women's college of engineering, Pune

Prof. Susama Wagh, VJTI, Mumbai

Note:

- ✓ Accepted papers (peer-reviewed) will be published in the conference proceedings by IEEE EXPLORE.
- ✓ Selected papers (peer reviewed) will have the opportunity to be published in the following reputed international journals (Scopus indexed):
 - Process Safety and Environmental Protection.
 - Sensors.
- ✓ Registration is mandatory for publication.

Registration Fee

Registration Category	Registration Fee (INR)	
	Early Bird	Regular
Full Registration	25000	30000
Student	10000	15000
Each additional paper (Max.2 addl. papers)	9000	10000
Accompanied person	9000	10000
Workshop	2000	2500
Gala Dinner	4000	5000

LINGARAJ TEMPLE
The iconic symbol of Bhubaneswar
10 km

DHIAULI
The Peace Pagoda & historic Kalinga War site
15 km

CHILIKA LAKE
Asia's largest brackish water lagoon, perfect for boating & bird watching
50 km

KONARK SUN TEMPLE
UNESCO World Heritage Site & architectural marvel
65 km

GUDAHANDI WATERFALL
Scenic waterfall amidst lush greenery
90 km

RAJARANI TEMPLE
Exquisite temple architecture in a peaceful setting
12 km

UDAYAGIRI & KHANDAGIRI CAVES
Ancient rock-cut caves with Jain heritage
8 km

ALARNATH TEMPLE
Ancient shrine near the Chilika Lake
45 km

CHANDRABHAGA BEACH
Golden sands, casuarina groves and stunning sunrise
65 km

BHITARKANIKA NATIONAL PARK
Home to crocodiles, mangroves & diverse wildlife
105 km

MUDALESWAR TEMPLE
Ancient temple known for its intricate stone carvings
35 km

Direct flights to Delhi (DEL)

Direct flights to Bhubaneswar (BBI)

Getting to IIT Bhubaneswar

BY AIR

Biju Patnaik International Airport

Domestic hubs plus regional international routes, ~20 km from the venue.

BY RAIL

Bhubaneswar Junction

On the main east-coast line with direct trains to major cities.

VENUE

IIT Bhubaneswar, Argul

A modern green campus on the city's western edge.

STAY

Campus & city hotels

On-campus guest house plus a range of city hotels at negotiated rates.

VENUE & TRAVEL

Connectivity to IIT Bhubaneswar, Argul

From Biju Patnaik International Airport (BBI), Bhubaneswar

- via NH16
- 54 min | 28.6 km
- Fastest route, the usual traffic

From Khurda Road Railway Station

- via Khurda Rd/Pipli Rd and IT Rd
- 15-17 min | 6.0-6.4 km
- Fastest route, the usual traffic

IIT Bhubaneswar, Argul

Argul, Jatni, Khurda, Odisha 752050

DISTANCE BETWEEN ORIGINS

Khurda Road Railway Station to Biju Patnaik International Airport (BBI)

22 km | 55-60 min (by road)

NOTE

Travel time may vary with traffic conditions. Distances are approximate.
