UNNAT BHARAT ABHIYAN

IIT BHUBANESWAR
CHILDREN'S DAY 2026

> "Education is the most powerful weapon which you can use to change the world." — Nelson Mandela

The Unnat Bharat Abhiyan (UBA) Team of IIT Bhubaneswar celebrated Children's Day on 14 November 2026 by visiting schools across the adopted villages. The primary objective was to bring joy to the children and encourage learning, curiosity, and a spirit of togetherness through engaging activities. Observed every year on the birth anniversary of Pandit Jawaharlal Nehru, Children's Day is a reminder of the importance of nurturing and celebrating children.

Student volunteers visited schools in all the villages, where quizzes were conducted for the children, who participated with great enthusiasm. Gifts were distributed among the children to make the day memorable. The volunteers interacted closely with the students and encouraged them to take part, creating a warm and cheerful atmosphere throughout the visits. The children were visibly happy, and their laughter and eagerness to learn made the occasion special for everyone present.

A total of 20 students participated in the school visits across 4 villages. The initiative was led by the theme leader, Aswini Kumar Nayak. The active participation of student volunteers reflected their enthusiasm and willingness to contribute to UBA's community-oriented initiatives.

The visits concluded with heartfelt interaction with the children and their teachers. The organisers thank the school staff, teachers, and everyone whose cooperation made the event a success. It served as a step towards nurturing the younger generation and strengthening the bond between UBA student volunteers and the local community. Overall, the event was a meaningful step towards UBA's objective of community development in local and rural areas,
