IIT BHUBANESWAR
CLOTH DONATION DRIVE

The Unnat Bharat Abhiyan (UBA) Team of IIT Bhubaneswar, in collaboration with Souls for Solace, conducted a cloth donation drive and visited Podapada village on 14th November 2026 to donate the collected clothes to the residents. The primary objective was to support the needs of the community and encourage a spirit of giving among students and residents alike.

The drive focused on collecting clothes from residents and students of the institute and distributing them to those in need. The collected clothes were handed over directly to the villagers, and the volunteers interacted with the community during the visit. The drive was led by UBA Chief Student Coordinator Sriram.G and Souls for Solace Secretary Kaustabh Kshirsagar, who coordinated the collection and distribution of the donated clothes.

The visit was accompanied by UBA Coordinator Dr. Madhusmita Dash, who supported and participated in the initiative. The drive also saw active participation from student volunteers, whose enthusiasm and willingness to contribute reflected UBA's commitment to community-oriented initiatives.

The organisers thank all the residents for their generous donations, which made the drive possible. Special thanks are also extended to the Students' Gymkhana, Socio-Cultural Faculty Advisor Dr. Snigdha Ghosh, and General Secretary Pratham Miglani, and to everyone whose cooperation contributed to the success of the drive. Overall, the drive was a meaningful step towards UBA's objective of community development in local and rural areas.
